CRS – Entity Self-Certification Form CRS - E

Instructions

Why are we asking you to complete this form?

To help protect the integrity of tax systems, governments around the world are introducing a new information gathering and reporting requirement for financial institutions.
This is known as the Common Reporting Standard (the CRS). If the account holder's tax residence is located outside the country/jurisdiction where your account is held, we may be required to pass on the information in this form and other financial information with respect to your financial accounts to the U.A.E. Competent Authorities including the Central Bank of the United Arab Emirates (the "CBUAE") or the Dubai Financial Services Authority (the "DFSA") and they may exchange this information with competent authority of another reportable jurisdiction or jurisdictions pursuant to tergovernmental agreements to exchange financial account information.
Completing this form will ensure that we hold accurate and up to date information about your tax residency.

This form will remain valid unless there is a change in circumstances relating to information, such as the account holder's tax status or other mandatory field information that makes this form incorrect or incomplete. In that case you must notify us and provide an updated self-certification.

Who should complete the CRS Entity Self-Certification Form?
Please complete this form where you need to self-certify on behalf of an entity account holder. Business banking customers (which includes all businesses, trusts and partnerships except sole traders/sole proprietor) should complete this form.

If you are a sole trader or a sole proprietor, complete an 'Individual Tax Residency Self-Certification Form' (CRS-I). Similarly, if you are a controlling person of an entity, complete a 'Controlling Person Tax Residency Self-Certification Form' (CRS-CP).

For joint account holders, a copy of the form should be completed for each account holder.
Even if you have already provided information in relation to the United States Government's Foreign Account Tax Compliance Act (FATCA), you may still need to provide additional information for the CRS as this is a separate regulation.

Please tell us in what capacity you are signing in Part 4. For example you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a signatory authority or power of attorney.

Where to go for further information?
If you have any questions about this form or these instructions please contact your Relationship Manager, visit a branch or call us.
The 'Organisation for Economic Co-operation and Development' (OECD) has developed the rules to be used by all governments participating in the CRS and these can be found on the OECD's 'AutomaticExchange of Information' (AEOI) website: www.oecd.org/tax/automatic-exchange/ If you have any questions on how to define your tax residency status, please visit the OECD website or speak to a professional tax adviser as we are not allowed to give tax advice.

"Account Holder" The "Account Holder" is the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a Financial Account, the trust or estate is the Account Holder, rather than the trustee or the trust's owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a Financial Account, the partnership is the Account Holder, rather than the partners in the partnership. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account, and such other person is treated as holding the account.

"Active NFE" An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:
- Active NFEs by reason of income and assets;
- Publicly traded NFEs;
- Governmental Entities, International Organisations, Central Banks, or their wholly owned Entities;
- Holding NFEs that are members of a nonfinancial group;
- Start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- Treasury centers that are members of a nonfinancial group; or
- Non-profit NFEs.

An entity will be classified as Active NFE if it meets any of the following criteria:

a) Less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;

b) The stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;

c) The NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;

d) Substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;

e) The NFE is not yet operating a business and has no prior operating history, (a " start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;

f) The NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;

g) The NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or

h) The NFE meets all of the following requirements (a "non-profit NFE"):(i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare; (ii) it is exempt from income tax in its jurisdiction of residence; (iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets; (iv) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and (v) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organisation, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision.

Note: Certain entities (such as U.S. Territory NFFEs) may qualify for Active NFFE status under FATCA but not Active NFE status under the CRS.

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, then under the CRS the Reportable Person is deemed to be the natural person who hold the position of senior managing official.

"Controlling Person(s)" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if

any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, "Controlling Person(s) means persons in equivalent or similar positions.

"Custodial Institution" means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. This is where the Entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

"Depository Institution" means any Entity that accepts deposits in the ordinary course of a banking or similar business.

"FATCA" FATCA stands for the Foreign Account Tax Compliance provisions, which were enacted into U.S. law as part of the Hiring Incentives to Restore Employment (HIRE) Act on March 18, 2010. FATCA creates a new information **r**eporting and withholding regime for payments made to certain non-U.S. financial institutions and other non-U.S. entities.
"Entity" means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation. This term covers any person other than an individual (i.e. a natural person).

"Financial Institution" means a "Custodial Institution", a "Depository Institution", an "Investment Entity", or a "Specified Insurance Company". Please see the relevant domestic guidance and the CRS for further classification definitions that apply to Financial Institutions.

"Investment Entity" includes two types of Entities:

• Individual and collective portfolio management; or

• Otherwise investing, administering, or managing Financial Assets or money on behalf of other persons.
Such activities or operations do not include rendering non-binding investment advice to a customer.
(ii) "The second type of "Investment Entity" ("Investment Entity managed by another Financial Institution") is any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets where the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity.

"Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial

Institution" The term "Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution" means any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets if the Entity is (i) managed by a Financial Institution and (ii) not a Participating Jurisdiction Financial Institution.

Where an Entity is managed by a mix of Financial Institutions, NFEs or individuals, the Entity is considered to be managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity, if any of the managing Entities is such another Entity.

"NFE" is any Entity that is not a Financial Institution.

"Non-Reporting Financial Institution" means any Financial Institution that is:

(ii) Any branch of a Financial Institution that is not tax resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.

"Passive NFE" Under the CRS a "Passive NFE" means any:
(i) NFE that is not an Active NFE; and
(ii) Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution.

"Related Entity" An Entity is a "Related Entity" of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50% of the vote and value in an Entity.
"Reportable Account" The term "Reportable Account" means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

"Reportable Jurisdiction" is a jurisdiction with which an obligation to provide financial account information is in place.

"Reportable Jurisdiction Person" is an Entity that is tax resident in a Reportable Jurisdiction(s) under the tax laws of such jurisdiction(s) - by reference to local laws in the country where the Entity is established, incorporated or managed. "Specified Insurance Company" means any Entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.

"TIN" (including "functional equivalent") The term "TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link:
